Our elves can't wait to welcome you to **LAP of LIGHTS!** Here are a few pointers to get you ready for your visit...

Planning to visit The Lodge first? Make sure you follow signs for ICE TRAK / THE LODGE on arrival. Or if you're ready to grid up for your LAP of LIGHTS Drive follow signs for THE LAP.

Keep your eyes out for him and make sure he'll be able to spot you. From your favourite Christmas jumper to making sure your car can be seen from the North Pole. We encourage you to get dec'ked out and in the festive spirit.

AVOID ANY HOLD-UPS

Throughout the LAP of LIGHTS event the A43 from the Brackley, BP Roundabout to Silverstone will be closed from 8pm-6am daily. During this time we recommend following the A422 towards Buckingham before joining the Dadford Road towards Stowe and Silverstone.

Following the diversion posted above will add approximately 5-10 minutes to your journey, whereas the signposted diversion will add around 30 minutes to your journey.

Please leave extra time and plan accordingly, this closure will only affect your journey to the venue, travel back towards Brackley from Silverstone is not expected to be impacted.
